

# **HCC STRATEGIC PLANNING MEETING**

***Overview of Strategic Plans for Alignment  
Dr. Karen Sealey***

**Barbados, 22 April 2016**

## Three levels of strategic plans...

- Development agenda
  - Health Agenda
  - NCD Agenda
- 

# Transforming our world: the 2030 Agenda for Sustainable Development

3 GOOD HEALTH AND WELL-BEING

## Ensure healthy lives and promote well-being for all at all ages

- 3.4 By 2030, reduce by one third premature mortality from **NCDs**
- 3.5 Strengthen prevention & treatment of... **harmful use of alcohol**
- 3.8 **Achieve UHC**, including financial risk protection, access to essential health-care services and safe, effective, and **affordable essential medicines & vaccines**
- 3.9 By 2030, substantially reduce the number of deaths and illnesses from **hazardous chemicals and air**, water and soil pollution and contamination
  - 3.a *Strengthen the implementation of the **WHO FCTC** in all countries*
  - 3.b *Support R&D for **vaccines & medicines for communicable & NCDs**...*
  - 3.c *Substantially **increase health financing** and the recruitment, development, training and retention of the health workforce*

# Examples of targets in other SDGs linked to the health

1.1 Implement nationally **appropriate social protection systems** and measures for all... and by 2030 achieve substantial coverage of the poor and the vulnerable

2.2 By 2030, **end all forms of malnutrition**...and address the nutritional needs of adolescent girls, pregnant and lactating women and older persons

4.2 By 2030, ensure that all girls and boys have **access to quality early childhood development, care and pre-primary education** so that they are ready for primary education

5.2 **Eliminate all forms of violence against all women and girls** in the public and private spheres, including trafficking and sexual and other types of exploitation

5.6 Ensure **universal access to sexual and reproductive health** and reproductive rights as agreed in accordance with the Prog. of Action of the ICPD and the Beijing Platform for Action

6.1 By 2030, achieve **universal and equitable access to safe and affordable drinking-water** to all

17.18 By 2020, ...**increase significantly the availability of high-quality, timely and reliable data** disaggregated by income, gender, age, race, ethnicity etc.

# THE IDEAL CARIBBEAN PERSON...

...has developed the capacity to create and take advantage of opportunities to control, improve, maintain and promote physical, mental, economic, social and spiritual well-being and to contribute to the health and welfare of the community and country;

# CARICOM Priority Area: *Building Social Resilience – Equitable Human and Social Development*

## **SOC 3 – Advance Initiatives for Health and Wellness -**

- ▶ working towards the development of a regional health insurance system with a basic package of services that includes NCDs, HIV/AIDS treatment services, and basic mental health screening; and which is based on a costing of services;
- ▶ health education & prevention initiatives re NCDs and HIV/AIDS;
- ▶ regional management of pandemics; and
- ▶ creating an enabling environment and facilitating inter-sectoral actions for improved health and wellness across the Community

UN MSDF* Priority Areas (2016-2020)	Sustainable Development Goals (2015-30)	Samoa Pathway Themes (2014)	CARICOM Strategic Plan Priorities (2015-19)
<b>A healthy Caribbean</b>	<p><b>Goal 2:</b> End hunger, achieve food security and improved nutrition and promote sustainable agriculture</p> <p><b>Goal 3:</b> Ensure healthy lives and promote well-being for all at all stages</p> <p><b>Goal 5:</b> Gender equality and empower all women and girls</p>	<ul style="list-style-type: none"> <li>• Food security and nutrition</li> <li>• Health and non-communicable diseases</li> <li>• Gender equality and women's empowerment</li> <li>• Education</li> </ul>	<p><b>Goal: Building Social Resilience – Equitable Human and Social Development</b></p> <p><u>Advancing Initiatives for Health and Wellness:</u></p> <ul style="list-style-type: none"> <li>• Working towards the development of a regional health insurance system with <b>a basic package of services that includes Non-Communicable Diseases (NCDs)</b>, HIV/AIDS treatment services, and basic mental health screening; and which is based on a costing of services;</li> <li>• <b>Health education and prevention initiatives re NCDs</b> and HIV/AIDS;</li> <li>• Regional management of pandemics;</li> <li>• Creating an enabling environment and <b>facilitating inter-sectoral actions for improved health and wellness</b> across the Community</li> </ul>

\*UN Multi-country Sustainable Development Framework – Health specific Priority Area

# Health Agenda

- WHO Priorities
  - PAHO Strategic Plan
  - CARICOM (CCH IV)
- 

# WHO Leadership priorities 2014–2019

1. Advancing universal health coverage
2. Health-related Millennium Development Goals
3. ***Addressing the challenge of NCDs*** and mental health, violence and injuries and disabilities.
4. Implementing the provisions of the International Health Regulations
5. Increasing access to quality, safe, efficacious and affordable medical products (medicines, vaccines, diagnostics & health technologies)
6. Addressing the social, economic & environmental determinants of health

1. Reducing the burden of communicable diseases

**2. Reducing the burden of NCDs**

**3. Promoting good health at key stages of life**

**4. Strengthening health systems**

**5. Reducing mortality, morbidity, and *societal disruption* resulting from epidemics, *disasters*, conflicts, and emergencies**

6. Maintaining the integrity and efficient functioning of the Organization, enabling it to deliver mandates effectively

# Caribbean Cooperation in Health IV

## ... a work in progress

<b>Health Systems for Universal Health Coverage</b>	<b>Safe, resilient, healthy environments</b>	<b><i>Health and well-being of Caribbean people throughout life course</i></b>	<b>Data and evidence for decision making and accountability</b>	<b>Partnership and Resource Mobilization for Health</b>
For all Caribbean citizens, no financial barriers to minimum package of health services	All citizens and visitors live, work and play in safe resilient healthy environments	<b><i>Ensuring health at all stages of life for all citizens ...includes NCDs</i></b>	Enhanced regional capacity to use quality data to inform decisions and monitoring	Regional health agenda is adequate sustainably and predictably resourced

WHO Global Action Plan for the Prevention & Control of NCDs, 2013-2020	PAHO Plan of Action on Integrated Management of NCDs, 2013 - 2019	CARICOM/ PAHO NCD Strategic Plan of Action, 2011 - 2015
<u>Objective #1</u> NCDs a priority in global, regional & national agendas & IADGs -strengthened int. cooperation and advocacy	<u>Line of Action #1</u> Public Policy & Advocacy <ul style="list-style-type: none"> <li>NCD addressed in national development &amp; health plans</li> </ul>	<u>Priority Action #4</u> Public Policy, Advocacy and Communications <ul style="list-style-type: none"> <li>Advocacy &amp; healthy public policy</li> <li>Media and Social Communications</li> </ul>
<u>Objective #2</u> Strengthen national capacity, leadership, governance, multisectoral action and partnerships to accelerate response	<u>Line of Action #1</u> Public Policy & Advocacy <ul style="list-style-type: none"> <li>Multisectoral policies in at least 3 sectors</li> <li>National social protection schemes that address universal/equitable access to NCD interventions</li> </ul>	<u>Priority Action #5</u> Programme Management <ul style="list-style-type: none"> <li>Programme management, partnerships and Coordination</li> <li>Resource mobilization</li> </ul>
<u>Objective #3</u> Reduce modifiable risk factors and underlying social determinants - Creation of health promoting environments	<u>Line of Action #2</u> NCD Risk Factors & Protective Factors <ul style="list-style-type: none"> <li>Reduce Tobacco use &amp; harmful use of alcohol</li> <li>Promote healthy eating(reduce salt, sugar &amp; fat consumption) &amp; Promote active living</li> </ul>	<u>Priority Action #1</u> Risk Factor Reduction and Health Promotion <ul style="list-style-type: none"> <li>No Tobacco, No harmful use of alcohol</li> <li>No transfat; reduce fat, sugar &amp; Salt</li> <li>Increase Physical Activity</li> </ul>
<u>Objective #4</u> Strengthen & reorient health systems for NCD prevention and control & underlying social determinants - people-centered PHC and UHC	<u>Line of Action #3</u> Health System Response to NCDs & risk factors <ul style="list-style-type: none"> <li>Integrated patient-centered, management for NCDs</li> <li>Increase access to &amp; rational use of essential medicines &amp; technologies</li> <li>Implement evidence-based &amp; cost-effective interventions for hypertension and NCDs</li> </ul>	<u>Priority Action #2</u> Integrated Disease Management and patient self-management <ul style="list-style-type: none"> <li>Scaling up evidence based treatments</li> <li>Health Financing</li> <li>Pharmaceuticals</li> </ul>

<u>Objective #6</u> Monitor trends and determinants of NCDs; evaluate progress in their prevention and control	<u>Line of Action #2</u> _NCD Surveillance and Research <ul style="list-style-type: none"> <li>Improve surveillance systems for NCDs &amp; risk factors; Produce monitoring reports</li> </ul>	<u>Priority Action #3</u> Surveillance, Monitoring and Evaluation

# NCD ALLIANCE: STRATEGIC AGENDA TO DRIVE CHANGE

**VISION** A world where everyone has the opportunity for a healthy life, free from the preventable suffering, stigma, disability and death caused by non-communicable diseases.

**MISSION** To unite and strengthen civil society to stimulate collaborative advocacy, action and accountability for NCD prevention and control.

**VALUES** Our work will be underpinned by values which align with well-established principles of global health and sustainable development:

- ✓ **Partnership-driven** We will work in collaboration with our partners and the broader NCD and health community, including across sectors, to develop mutually beneficial partnerships and strategic alliances;
- ✓ **Human rights-based** We will advance and protect the rights of people with NCDs of all ages, engage people living with NCDs and those affected in activities for NCD prevention and control and seek to promote equity in the prevention and control of NCDs;
- ✓ **Transparent and accountable** We will be transparent and accountable, as well as fiscally responsible and effectively governed, with a commitment to excellence in all of our work;
- ✓ **Independent** We will maintain our independence, and will manage real and perceived conflicts of interest.

# NCD ALLIANCE: STRATEGIC AGENDA TO DRIVE CHANGE

<b>GOAL</b>	<p>Aligned with 2030 Agenda for Sustainable Development and WHO Global NCD Action Plan:</p> <ul style="list-style-type: none"> <li>• <i>By 2030, reduce by 33% overall premature mortality from NCDs and promote mental health and well-being</i></li> <li>• <i>By 2025, reduce by 25% overall premature mortality from NCDs</i></li> </ul>
<b>TARGETS</b>	<ul style="list-style-type: none"> <li>✓ Integrate NCDs as a priority in global, regional and national health and development planning and implementation</li> <li>✓ Mobilise adequate and sustainable financial and human resources for NCD prevention and control at all levels</li> <li>✓ Improve the capacity and sustainability of national and regional CSO alliances and networks to effectively influence NCD prevention and control policies</li> </ul>

## STRATEGIC PILLARS

### ADVOCACY

Lead global advocacy to fulfil political commitments on NCD prevention and control

### ACCOUNTABILITY

Promote accountability for commitments, resources and results in NCD prevention and control

### CAPACITY DEVELOPMENT

Strengthen the capacity of NCD CSOs and alliances at national and regional levels

### KNOWLEDGE EXCHANGE

Broker knowledge on evidence-based NCD policy and practice

***THANK YOU!***
