

**WE CAN.
I CAN.**
ON 4 FEBRUARY

WE CAN. I CAN.
INSPIRE ACTION, TAKE ACTION

**WORLD
CANCER
DAY 4 FEB**

Today, February 4, the Jamaica Cancer Society and its many partners proudly join the global community in observing **World Cancer Day**. We do so with the full knowledge that every Jamaican family, has or knows, someone touched by cancer.

And so, while the battle is far from won, we all commit to take a stand. Today we say...**I Can, You Can, We Can**... everyone can make a difference in the fight! Get involved and play your part, as together **We Can**:

- **Inspire and Take Action**
- **Make Healthy Choices and Change our Lifestyle**
- **Challenge Prevailing Myths and Misconceptions**
- **Influence Change in Policy and Legislation**
- **Improve Access to Care**
