

CARIBBEAN NCD FORUM:

Supporting national advocacy in the
lead-up to the 2018 High-level Meeting
on NCDs: Towards 25*25 and the
SDGs

23-25 April 2018. Kingston, Jamaica.

Presenter: Dr. Annicia Gayle-Geddes
Social Analyst, Social Sector Division

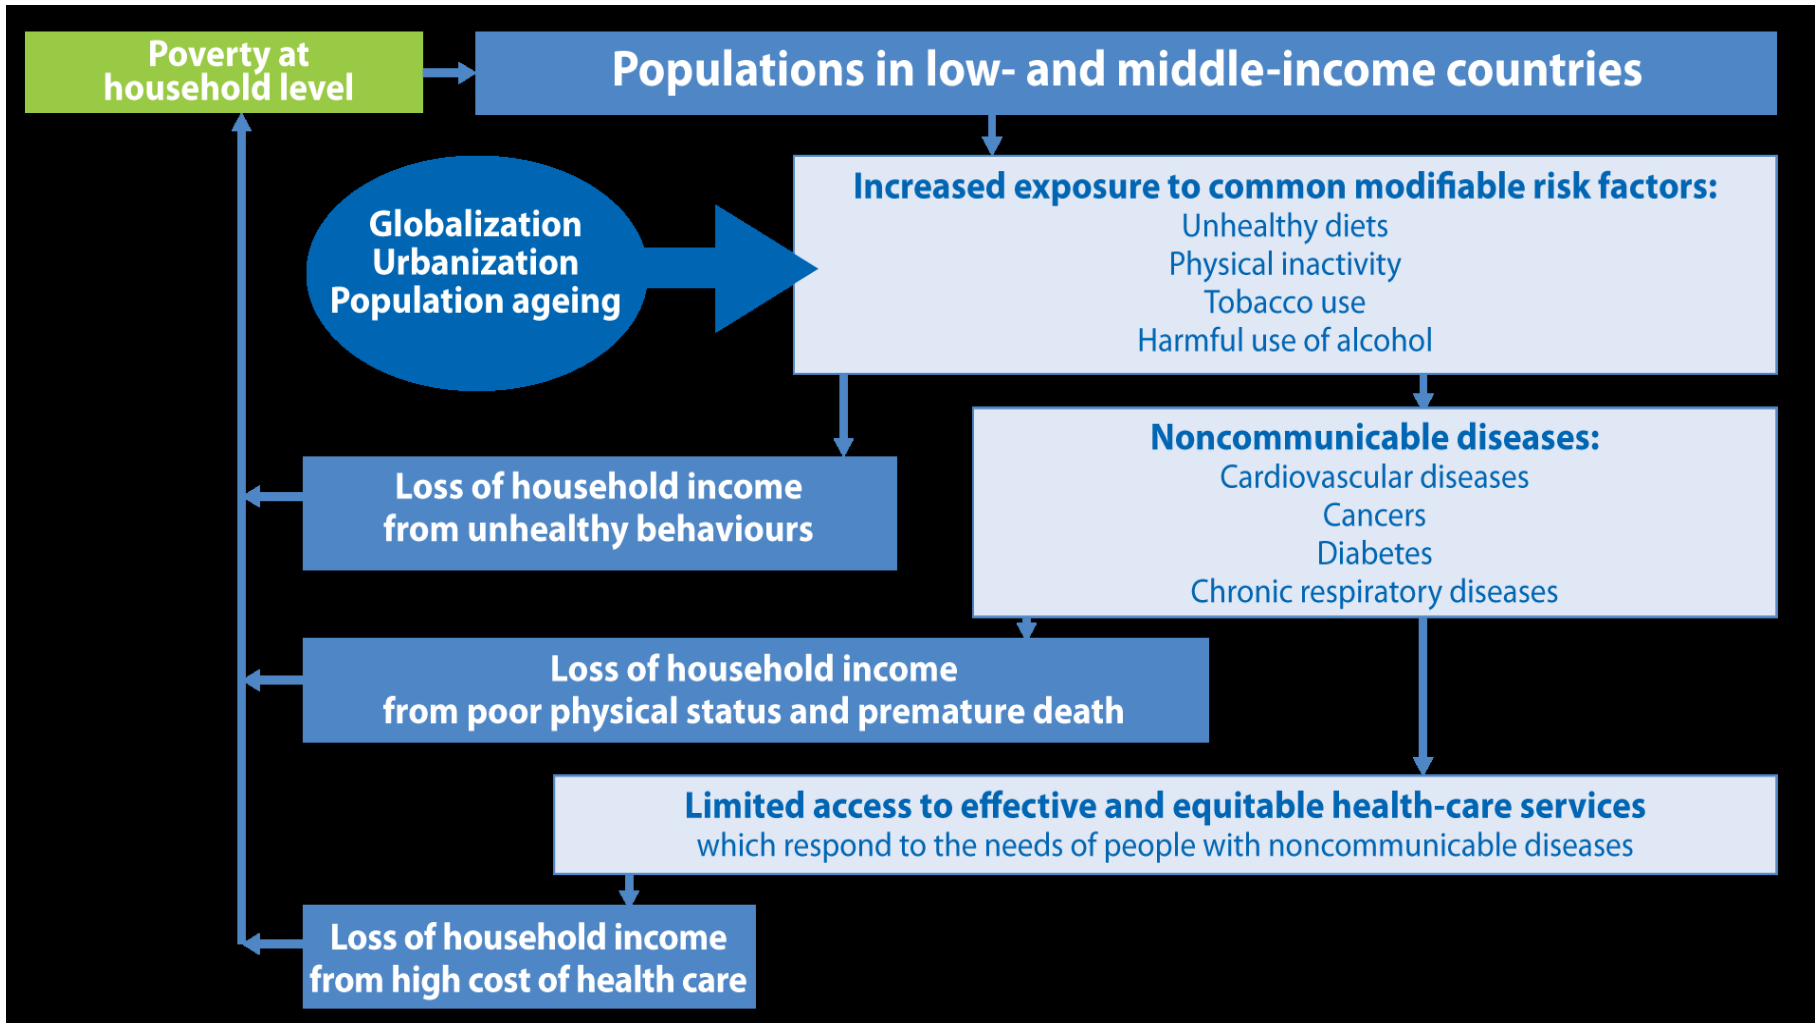

CDB's Mission Statement

- CDB intends to be the leading catalyst for development resources into the Region, working in an efficient, responsive and collaborative manner with our Borrowing Member Countries (BMCs) and other development partners, towards the **systematic reduction of poverty** in their countries through social and economic development.

The Situation

• Source: Global Issues

CDB's Strategic Plan 2015-2019

- Strategic Plan 2015-2019 doesn't have a specific health outcome.
- Strategic Objective:
Supporting Inclusive and Sustainable Growth and Development
 - People-centered Sustainable Development

CDB's "*HEALTH IN ALL POLICIES*" APPROACH

- CDB acknowledges:
 - Existing Development Partners Operating in the Health Sector
 - CDB's comparative advantage and available resources
 - Key entry points for enhancing health outcomes in our 19 Borrowing Member Countries (BMCs)
 - Addressing Gender Equality and Social Inclusion of Vulnerable Groups

“HEALTH IN ALL POLICIES”

– Select Programme Areas Identified

Education and Training and Citizen Security	Nutrition/school feeding, curricula reform to include a focus on healthy lifestyle and health and family life education; programmes to encourage school gardens and physical education.
Agriculture and Rural Development	Development/research on nutritious foods, promotion of sanitary food distribution/handling systems; development of food and nutrition security strategies and action plans.
Strengthening Evidence-based Policymaking	Research and analysis of the health sector’s socio-economic costs and benefit; strengthened use of data and evidence as the basis for policy and practice
Regional Cooperation and Integration	Promoting regional approaches to prevention, dialogue on financing of health care.

Recent NCD-related TAs Supported

- **CARPHA (2017)**
