

Webinar

# 'THE FUTURE TALKS' COVID-19 AND NCDs IN THE CARIBBEAN

Date: Friday June 26th 2020 | Location: Zoom | Time: 10:00 - 11:00 a.m. EST

The Future Talks: COVID-19 and NCDs in the Caribbean will highlight the experiences youth face during COVID, including those living with NCDs. The webinar will also serve as a platform to amplify the youth's perspective on the monumental change needed moving forward to protect people living with NCDs (PLWNCDs) and lessen the burden for future generations.

Panellists represent youth who have had to manage the realities of COVID, as students, advocates and PLWNCDs. They have had to adopt, adjust and navigate unique challenges that they will unpack and share.

The discussions will be guided by the following themes:

NCDs and COVID-19 - The Present & NCDs and COVID-19 - The Legacy

INTRODUCTION: Ms. Maisha Hutton, *HCC Executive Director*
