

HOW ARE SOME FOOD INDUSTRY ACTORS WORKING AGAINST OCTAGONAL WARNING LABELS?

**SEE
THE
TRUTH**

WEBINAR

Date: 22 February 2024

Time: 11:00am - 12:30pm AST

The webinar seeks to build support for the implementation of healthy food policies such as the octagonal warning label, through the implementation of measures which protect policymaking from industry interference.

Join us to:

- Hear more about our social media campaign, “See The Truth”
- Learn from diverse stakeholders, experiences and perspectives around industry interference and weak governance in food policy making
- Understand ways to safeguard the policymaking spaces
- Explore how the private sector can support healthy food environments
